A new comment has been submitted at socotransmission.com.

COMMENT

Meeting Attended:

I was not able to attend a meeting

Important Issues:

Health and Safety, Visual / Aesthetic Resources, Other

OTHER: Land Devaluation

Property Uses:

Residential

Comment:

I am concerned about the health and safety issues associated with transmission lines. And, obviously, I do not want transmission lines, towers or generation facilities placed on or adjacent to my property. I also have questions about how property owners will be compensated for devaluation of their property as a result of this project.
